The BOA Code of Conduct sets the minimum standards for our suppliers - establishing a commitment to fair and safe working conditions and reducing our environmental impact.
**FAIRNESS**

**No Child Labor**

BOA® forbids the use of child labor in suppliers that make BOA products. Suppliers’ employees must be at least 16 years of age, or hire the age for completion of compulsory education or national legal minimum working age.

Suppliers shall adhere to applicable law and regulations regarding young workers, including but not limited to types of work and working hours.

**No Forced Labor**

BOA prohibits suppliers from using forced labor, including prison labor, bonded labor or indentured labor and other forms of forced labor, including but not limited to debt bondage, threats, exploitation, physical punishment or involvement in human trafficking.

**Non-discrimination**

No person shall be subject to any discrimination in employment, including but not limited to recruitment, hiring, compensation, access to training, promotion, discipline, termination of employment or retirement, on basis of nationality, religion, race, gender, age, sexual orientation, family responsibilities, martial status, disability or membership in union.

**Freedom of Association and Collective Bargaining**

Suppliers shall recognize and respect the right of employees to freedom of association and collective bargaining. Where the right to freedom of association and collective bargaining is restricted by law, the supplier allows the development of parallel means for independent and free association and bargaining.
FAIRNESS

No Harsh or Inhumane Treatment
Suppliers’ employees shall be treated with respect and dignity. Employees shall not be subject to physical abuse or discipline, threat of physical abuse, sexual or other harassment, verbal abuse or other forms of intimidation including a hostile or offensive work environment.

Regular Employment
Suppliers shall employ staff on the basis of a recognized employment relationship established through national laws and practices.

Working Hours
Suppliers shall comply with national laws and benchmark industry standards. Standard working hours, excluding overtime, shall be defined by contract and shall not exceed 48 hours per week. Total working hours, including overtime, shall not exceed 60 hours in any 7-day period. Workers shall be provided with at least 1 day off in every 7-day period. All overtime work shall be voluntary and compensated at premium rate.

Wages and Benefits
Suppliers shall pay employees in a timely manner for all work completed and shall pay at least the minimum wage required by law or the prevailing industry wage, whichever is greater, and shall provide legally mandated benefits, including but not limited to holidays, leaves, social insurance or statutory severance in the period worked.
Occupational Health and Safety

Suppliers shall provide a secure, safe and healthy workspace that complies with all applicable occupational safety and health regulations. Suppliers shall have policy and procedure to mitigate the risk of accidents, injury and exposure to health risks, including but not limited to:

• Structural safety of the buildings and facilities (Dormitory, Canteens, Childcare room, Medical room) used
• Machine Safety
• Electrical Safety
• Fire Safety and Emergency Equipment
• Fire Evacuation Plan and Pathway
• Occupational Health and Hygiene Hazards
• Personal Protective Equipment
• Working Environment (Lighting, Temperature and Ventilation System)
**SUSTAINABILITY**

**Environment**
Suppliers shall comply with all applicable local laws and regulations regarding the protection and preservation of the environment, including obtaining and maintaining all required environmental permits, approvals and registrations. Suppliers shall mitigate negative impacts of suppliers’ production activities to the environment and adopt measures for the conservation of natural resources, including but not limited to air emission, solid wastes, hazardous waste, energy usage and water consumption.

**INTEGRITY**

**Business Ethics**
Suppliers shall operate in complying with all applicable international, national and local laws and regulations and conduct their business ethically without bribery, corruption, or any type of fraudulent Business Practices. Suppliers shall have access to a transparent system in place for confidentially reporting and dealing with unethical business affairs without fear of reprisals towards the reporter.
**BOA CODE OF CONDUCT**
